Re: Backflow Prevention Assembly General Tester Certification Program

Dear Mr. Titus:

The Arizona Department of Environmental Quality is pleased to announce that, on the basis of material submitted to the Department, your organization, All American Backflow Prevention, is authorized to certify Backflow Prevention Assembly General Testers in the State of Arizona, commencing November 1, 2014. Please contact the department immediately of any changes to your program.

This approval is also subject to reevaluation if there is a change in ADEQ's backflow rule that affects the standards related to tester certification. All American Backflow Prevention shall adhere to Arizona Administrative Code (A.A.C.) R18-4-215.

Please contact me at (602)771-4648 if you have questions, or if there are any significant changes to your certification program.

Sincerely,

Steve Vevang, Manager
Drinking Water Programs
