

Backflow Assembly Testers, Repairers, and Reclaim Water Site Testers; Certified by All American Backflow Prevention (AABP). This list includes individuals who have passed the AABP administered written and performance exams for backflow assembly tester, backflow assembly tester/repairer, or reclaim water site tester. The list is provided to help administrative authorities confirm current certifications. AABP makes no representation other than each individual has passed the exam. AABP does not assume or accept responsibility for the actions of these certified testers/repairers.
